

All-Risk Cargo Insurance Blanket Acceptance/Declination Form

Geo. S. Bush & Co. proudly offers all-risk marine and air cargo insurance to the market to protect against loss while international goods are in transit. By checking one of the boxes below, you either agree to be invoiced on a per-shipment basis for the cargo insurance policy premium or you may decline the blanket application of a cargo insurance policy to all shipments. If you wish to decline the blanket policy, you may still elect to insure individual shipments at your discretion on a case-by-case basis.

I wish for Geo. S. Bush & Co. to provide all-risk cargo insurance for all of my company's international shipments.

I decline all-risk insurance coverage on my company's international shipments and accept the risk of financial loss for lost, stolen or damaged cargo while in transit.
